

New Program or Community Initiative - Application 2024/2025

Form Preview

SECTION 1

* indicates a required field

Complete this application form if you are seeking funding for a new program or initiative that:

- Addresses an emerging or unexpected community need; and
- action is time critical.

Applications will be assessed on an individual basis in accordance with the Grants Policy. All applications must identify a need and outline the benefit to the Bayside community. Applications for one off events will be referred to the Events and Festivals grant stream.

Council must be acknowledged on all published material related to the grant. A Council logo will be provided to successful applicants for inclusion in all promotional material.

Successful applicants must complete and submit to Council, an online acquittal form, within the current financial year. Applicants that do not submit an acquittal form may not be eligible for future Council grants.

Must be no more than 250 words.

Please be as concise as possible. Include information on the purpose of the program or activity (eg. build community connections) and the expected outcomes for participants (eg. increase in health and wellbeing of participants).

What are the primary areas of focus for this project/program?

No more than 5 choices may be selected.

You can select items from any area of the list – all have equal value. Only select sub-categories if you want to be more specific. In this question we want to know about the field of work (e.g. arts, sport, health), rather than the types of people it will affect (e.g. young people, refugees)

What community need(s) will this new program or community initiative address, and how have these needs been identified? *

Word count:

Must be no more than 200 words.

How and why did you decide on the program or activity? How will it benefit the community? How have you identified the need eg. consultation with community, local data research.

How will the expected outcomes of the new program or community initiative meet these identified needs(s)? *

Word count:

Must be no more than 200 words.

Describe at least 3 things you want the project to achieve in terms of benefits to participants and how does this relate to the above identified community need?

Briefly describe why action is time critical for this new program or community initiative:

Word count:

Must be no more than 150 words.
